The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 855-429-6354 or visit join.collectivehealth.com/Rivian. For definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 855-429-6354 to request a copy.

| Important Questions  | Answers   | Why This Matters   |
|--|---|--|
| What is the overall deductible?                                      | For in- <u>network</u> services:<br>\$1,600/Individual, \$3,200/Family<br>For out-of- <u>network</u> services:<br>\$3,200/Individual, \$6,400/Family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.  |
| Are there services covered before you meet your deductible?          | Yes. In- <u>network preventive care</u> services are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits.   |
| Are there other deductibles for specific services?                   | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For in- <u>network</u> services:<br>\$2,500/Individual, \$5,000/Family<br>For out-of- <u>network</u> services:<br>\$5,000/Individual, \$10,000/Family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family <u>out-of-pocket limit</u> must be met.   |
| What is not included in the <u>out-of-pocket limit</u> ?             | Premiums, balance-billed charges, and health care this <u>plan</u> doesn't cover are not included.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See join.collectivehealth.com/Rivian or call 855-429-6354 for a list of network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the specialist you choose without a referral.  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

### **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost-sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
