NOTICE OF ELIGIBILITY FOR HEALTH PLANS RELATED TO MILITARY LEAVE

If you take a military leave, the Uniformed Services Employment and Reemployment Rights Act (USERRA) provides the following rights:

- If you take a leave from your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage at your cost for you and your dependents for up to 24 months during your military service; or
- If you don't elect to continue coverage during your military service, you have the right to be reinstated in the Plan when you are reemployed within the time period specified by USERRA, without any additional waiting period or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

The Plan Administrator can provide you with information about how to elect Continuation Coverage Under USERRA.
